LA RISPOSTA AD OGNI BISOGNO

CASSETTIERE MADIE COLONNE ARMADI
SCARPIERE CONTENITORI

La linea propone grande completezza di moduli con struttura in spessore 18 mm, finiture armonizzate nei contrasti fra le diverse superfici lucide, opache, poro aperto e le varie essenze naturali disponibili. Le ante a specchio alleggeriscono i volumi allargando l'ambiente.

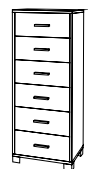

HOME 18 COLLECTION

Home 18 è una nuova dimensione nella vita domestica: un modo semplice e originale di organizzare e sfruttare gli spazi domestici finora inutilizzati.

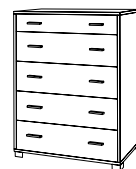

Riempire arredando con intelligenza e stile, con un pizzico di simpatia e «provocazione», con il gusto sobrio delle forme geometriche semplici, della funzionalità e dell'ergonomia applicata ai gesti quotidiani.

Home 18 è un programma di miniarredo completo e di concezione innovativa: moduli solidi, nati per durare, di dimensioni razionali (minimo ingombro/massima capienza), da utilizzare singolarmente, abbinati o in libera componibilità.
